

## ATO CLIENT-TO-AGENT LINKING

We advise that the ATO has introduced a new client-to-agent linking program for any entities that hold an ABN. As such, we are unable to add any of your associated entities without you first completing the below for each entity.

If you have online services set up for your associated entities, please log in and nominate us as your new tax agent. If you do not have this set up, we have included a link and information below to assist you - [Client-to-agent linking steps](#). Alternatively you may wish to phone the ATO on 13 28 66.

Please ensure to nominate us for **both** your Income Tax and Activity Statement accounts for each entity.

For your information, our tax agent details are as follows:

- Tax Agent Number: 57471 001
- GCY Accountants
- ABN: 79 796 244 820

Please let us know once you have nominated us with the ATO (we will not receive notification) and we will add your associated entities to our Tax Agent Portal.

Note: this needs to be actioned within 28 days of nomination.
